

## The Portland Hospital for Women and Children

# LOCAL HOTELS

We understand the importance of being close to your family at this important time. Because of this we have put together a list of local hotels should you need additional accommodation for family and/or friends. The Portland Hospital has negotiated special rates with all of the following hotels in order to make your time with us a little easier.

In order to receive these special rates please call the numbers provided and quote 'The Portland Hospital'. Please note that all room rates are subject to availability.
