Should complications arise up to the 35th week of your pregnancy and the midwife decides you need to transfer to the Consultant Led Care then this would be charged at the Consultant Led rates (see Consultant Led Price List).

If you require an Emergency Caesarean after 35 weeks whilst under the Midwife Led Care then this will be charged at £800.

All prices are effective from 1st April 2010 and are subject to change as the market dictates. Please note that the price you will be required to pay is the price pertaining at the day of admission, not at the date of booking. All prices are inclusive of VAT unless otherwise stated.

Please note that the charges quoted are for the delivery of your baby at The Portland Hospital and do not include any Consultant fees. The Consultants are independent of the hospital and their fees vary accordingly

If you have any further questions regarding the Self Funding Package prices, please call a Pre-Admission Officer on 020 7390 6032.

Additional Charges

Epidural

Epidural is charged at £750 (plus £50 for each top up). This covers the Anaesthetist and the relevant drugs.

Companion fee

If your partner stays in your room with you it is charged at £75 per night plus VAT

Ventouse charge

If you require a ventouse delivery it is charged at £105

Nursery charge

For self paying patients the use of the nursery is included in the hospital fees. If your stay is covered by insurance then some companies do not cover the nursery costs. Please check with your insurer for clarification on this.

Lodger Fee

Should your baby be admitted to the neonatal unit and you are fit for discharge, then to continue to occupy a room at the Portland a lodger fee will be charged at £250 per night.
